There will always be a dedicated supervisor on site every day, to ensure the smooth running of your clean and to ensure your service schedule is met and exceeded, on a daily basis, guaranteed.

## Excellent Customer Service - Guaranteed

In the unlikely event that you need us to rectify a problem, we will do so within the hour - Guaranteed.

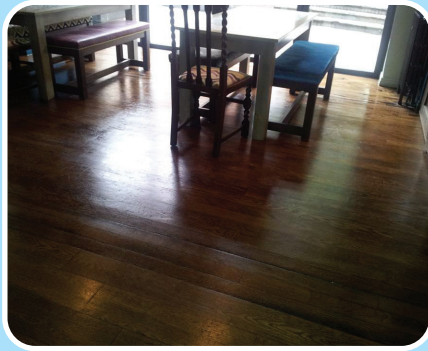

## Not Happy... You don't pay - Guaranteed

# Some of Our Superior Cleaning Services

We clean in schools, offices and industrial sites throughout Derbyshire - only to the highest of standards, daily.

We provide a dedicated supervisor on site to ensure your tailor made service schedule is adhered to but we are especially proud of our floors which come as standard.

## Marigolds' Specialist 'DEEP CLEANS' in Bathrooms

Bathrooms are perhaps the most used room in any establishment. This is why we use an industrial floor scrubber to remove the ground in dirt on the floors, then a polish is applied to protect the floor and give it a high shine. This also increases the floors non slip properties which can erode over time. We steam clean all walls, cubicles, radiators and tiles. Making sure they are not only clean but free from bacteria and germs.

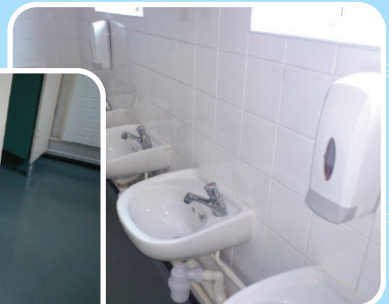

We then de-scale all toilets and urinals and as a finishing touch re-whiten the tile grout. We do this as standard, as part of your contract clean or as a "one off" and prices start from as little as £100.

# Marigolds in your Kitchen

## Kitchen Deep Cleans

Health and hygiene is a priority for our clients and never compromised in our kitchens which is why we offer our superior cleaning services from £150 for a complete Kitchen Deep Clean.

We start by degreasing and cleaning under the sinks, around pipes and behind ovens - 'The Hard to Reach Places'. We then steam clean all walls, surfaces and the floor leaving your kitchen spotless and hygienic.

## Extractor Fan Deep Cleans

We believe our work speaks for itself. We don't just clean the exterior - that would be too easy, we strip them down and get inside.

But it doesn't end there. After we've cleaned your extractor fan we will send you a written report detailing the work carried out, chemicals used and before and after photographs invaluable for Food Safety and Hygiene inspections, insurance purposes or meeting your Health and Safety responsibilities.

# Marigolds' Carpet Cleaning

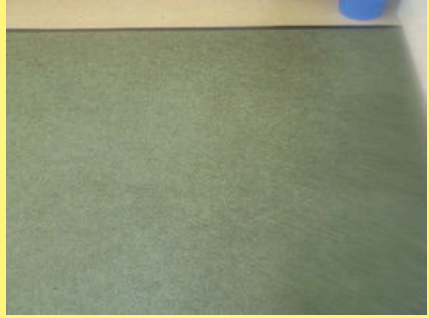

## Carpet Cleaning from £80

We use an industrial Carpet Cleaner, and the best industrial chemicals to restore your carpets to their "LIKE NEW" appearance.

Before

After

Thank you Marigolds. The Deep Clean on the bathrooms is amazing, I was very impressed. We are very happy with the work you have done and I am sure we will do business in the future and extend to other areas.
